

## Webinar on Strategies For Building Resilience And Reducing Anxiety in Students With Learning Disabilities

**Learning Without Limits**, in partnership with NDCO, Sutherland Dyslexia Support Group and Southern Sydney BEN is running a free webinar for Parents, Teachers and Learning and Support Teachers on **Strategies for building resilience and reducing anxiety in students with disabilities that affect learning such as dyslexia, ADHD, reading disorder, writing disorder and ASD.**

Guest speaker is Lizette Campbell, Principal Psychologist of Lizette Campbell & Associates. She is the Chair of the College of Educational and Developmental Psychologists and a Member of the College of Clinical Psychologists. Lizette has worked throughout NSW and London in educational, child development and child health settings. She has been in private practice for more than 25 years and established a group practice in 2000.

Lizette has considerable expertise and a special interest in gifted students and learning and developmental difficulties, including autism spectrum disorders and ADHD. Lizette conducts comprehensive diagnostic assessments, and provides counselling and therapy for children and their families.

**Webinar Guest Speaker Lizette Campbell**  
**Educational and Developmental Psychologist**
