

KOGARAH HIGH SCHOOL

LEARN ▪ ACHIEVE ▪ CELEBRATE

Gifted and Talented Class Years 7 – 10

- A special class for gifted and talented with a limited number of places
- Taught by **teachers trained** in gifted and talented education (UNSW).
- Starts in **Year 7** and goes through to **Year 10**.
- Follows a **challenging academic program** that extends students.
- Allows for **acceleration**.
- High engagement with the **University of Sydney** program, COMPASS
- Lots of **extra-curricular activities** including:
Guided Inquiry Action Project across all subjects, Debating, Academic Challenges, Maths and Science Competitions, Enrichment Excursions, Public Speaking, Student Leadership, Choir, and Band.
- Students **sit for an examination** and are selected on ability.

Our recent achievements include:

- Top ATAR scores (2015) – 98.65, 95.95
- Placed first in the state in two HSC courses (2015)
- Increase in students entering university degrees in Medicine, Engineering and Commerce
- Director Public Schools NSW Award for outstanding contribution to education
- 138 Band 5 and Band 6 results in 2015 HSC results
- 53% of Kogarah High School students offered entry to university courses for 2016

We are holding an opportunity for students to apply for our Gifted & Talented class.

Year 7 (2017) – Gifted & Talented class Placement Test is on **Thursday 5 May, 2016**.

Registration can be done by phoning **9587 5815** or on the school's website

www.kogarah-high-school.net
